## Helpful Hint

Sometimes a word ends with a 't' and is pronounced 't'; but some words in the past tense end with a 'd', which is also pronounced as a 't'. Always ask yourself if the word is a past tense and whether it ends in 't' or 'd'. Underline the words below that sound as if they have a 't' ending:

Jumped

Hopped

Cried

Managed

Knitted

Slipped

Skipped

Travelled
